

Course Description: "Others above self!" Application of the Golden Rule

Date
November 21st, 2017
1:00pm to 4:00pm

The "Golden Rule" is a global standard that is accepted across many if not most cultures and religions. While this may be common knowledge to PTs and PTAs, the application of the Golden Rule is often lacking in the world today. This course will make the connection between our core physical therapy ethics and this core cultural standard. We will discuss this most basic of human ideas applies to ethical physical therapy practice. This course will review Core Ethical Documents of the Physical Therapy profession with application of the Golden Rule with individuals with differing beliefs, cultures, politics, and religion.

Approved requested for 3 hours of Category A Ethics continuing education hours – Course # 201710273

Course Outcomes:

Upon completion of this course, the participant will . . .

1. Increased understanding of the "Golden Rule" (GR) and its application within the APTA "Core Documents".
2. Discuss PT literature that supports the application of the GR in practice.
3. Identify and discuss four reasons for ethics violations and practical ways to avoid "breaking the rule."
4. Discuss human interactions that do not seem to follow the GR.
5. Review examples of applying the GR in physical therapy in clinical, administrative, and personal ways.

Agenda: 11-21-17

- 12:30 to 1:00 - Sign in
- 1:00 to 2:00 - The Golden Rule (GR) - "Switching places" – To apply the GR, we need to understand what empathy is and how to apply it to physical therapy. Discussion of examples and applications of ways to enhance the application of empathy. Review of literature - Applications of the GR within the APTA Code of Ethics (Core Documents)
- 2:00 to 3:00 - Identification of issues in our world that results in people looking inward rather than toward the needs of others. We will discuss four reasons that people ignore ethical and legal rules. Why people "break the rule" include 1) human error/mistakes, 2) "stuff happens," 3) negligence/recklessness, and 4) intentional violations
- 3:00 to 4:00 - Application of "Others above Self" in physical therapy - Interactive exercises and discussion

Presenter: Gary Robinson, MS, PT, PCS received his BS in PT from OU (83), MS in Ped PT (99). He has been a pediatric certified specialist since 1993. He is the program director for the Murray State College PTA program and teaches content related to ethical practice. He has developed and taught approved ethics courses for many years and strives to practice the principles discussed in this courses.

Location: The course will be held in the new Health Sciences building at Murray State College in Tishomingo, OK. The Health Sciences building located on South Byrd Street and is the large new building on the west side of the older NAH building.
