Please answer the following questions that impact your eligibility for licensure in Oklahoma.
These questions are taken from OK Licensure Application.

1. Have you ever been arrested or charged or convicted of a felony or misdemeanor? Yes No
2. Have you ever been addicted to or abused any drug or chemical substance including alcohol? Yes No
3. Have you ever obtained an assessment or been treated for use of any drug or chemical substance including alcohol? Yes No
4. Have you ever had any mental, emotional or nervous disorder or condition which could affect, or if untreated could affect, your ability to practice competently? Yes No

If you answer yes to any of the above questions, please provide details on separate sheet of paper and attach to your application. If you answer yes to any of these questions, you may be ineligible for license upon graduation. Prior to applying to the program you should seek clarification from the OSBMLS regarding your situation. If you have questions, please contact the program director.

Please give the names and addresses of three individuals who are not relatives, but who know you well and can give information about your character and/or capabilities. For example, you might include a recent teacher, counselor, employer, or clergyman. We contact references only when the selection committee desires additional information.
