

## Physical Therapist Assistant Program Application Orientation

2017/2018 Technical Year Class

Welcome to the Application Process for the MSC Physical Therapist Assistant (PTA) programs.

This letter provides a summary of the application process that you will need to complete in order to apply to the technical portion of the PTA program for the Class of 2017. To be eligible to apply to the PTA Program you must view the on-line application orientation video. If you have questions, **after** you have viewed the entire video and reviewed all application materials, you are encouraged to email the program office, we are glad to help you.

The PTA application process begins in September during the Fall Semester. Application Information is linked to the program web site. The due date for the submission of the application packet to the program office is the third Friday in November which is November 18, 2016 for this application period. If you are accepted you will notified in mid-December and will begin two PTA courses in the spring (PTA 2112 & PTA 2103). These courses are designed primarily as on-line courses; however you will come to campus one day per week. You will complete any remaining program prerequisite courses along with these two PTA courses. This will be explained more in the orientation video.

Follow these directions to access the application links:

1. Go to the Murray State College Allied Health Programs home page – [www.mscah.org](http://www.mscah.org)
2. From there go to the Application Information page.
3. Find the link to the PTA Program Application Orientation Video and view this video in its entirety. You will be required to demonstrate that you have viewed the video by including the answers to three questions from the video.
4. Locate the link to PTA Program Application materials.
5. Complete all required forms located on the PTA Application Links page and submit your application as instructed.

You should read all instructions and complete the application as instructed. You may fill in the application on-line but you will need to print off the application and related documents. Once you have completed and signed the application you will need to submit the signed application and all related documents in the large **GREEN** envelope that you will pick up in the program office prior to taking the admission test. You will need to mail or bring your signed application packet that includes the application and required documentation to the PTA Program office.
