## Written Interview

**Instructions:** As part of the application to the MSC PTA Program, you will answer the following six questions and submit with your application by the application due date. You should not include any identifying information including your name, home city or names of specific locations where you may have completed clinical observation. You should be brief and your responses should require two pages but not more than two pages. Answer three questions per page. The selection committee will review your responses without knowledge of your identity.

1. What makes you certain that you want to join the profession of physical therapy and become a PTA? *(Indicate the actions you have taken to investigate and learn about the role of the PTA.)* 

2. What experiences and/or accomplishments have prepared you for success in the PTA program?

3. How do you study and what are your experiences with group study and use of technology including on-line learning?

4. What is a stressful event that you have experienced in your life and share how you coped with this event?

5. What is difference between the physical therapist and the physical therapist assistant in regards to education, roles, and responsibilities?

6. What are your plans should you not be accepted into this program?
